

What to donate?

The Library is always looking for donation of books, magazines, documents any material that is Scottish, Irish or English in subject matter. We are also looking for Scottish artifacts to display within the Library and to be included in our archives.

The Library accepts items that are “garage sale” quality, again with the Scottish, Irish and English subject matter, that can be sold to raise funds to support the Library.

Funds of any amount are greatly accepted and are used for both the on-going support and growth of the Library. Checks are made out to St. Andrew’s Society of Detroit a 501(c) 3 nonprofit charity designated for the Library Fund.
