

# The Highland Fling

March 2021

Emma Velasco, President

Dear Fellow Society Members,

It is deep in the winter season, yet our backyard 'nature sanctuary' is showing signs of spring – a robin's chirp here and there, tom turkeys in full feathered display and even those pesky starlings are back. Normally we would be preparing for Fish Fry Fridays, but we are foregoing that activity again this year as the pandemic rolls on. The Trustees and Executive Committee will address the topic again in March as we attempt to stay safe while continuing to be prepared to open for events in the near future.

I once again applaud you all for weathering this storm. Please join us at our virtual meeting – there is a chance for folks to chat both before and after the "meeting" part of the evening. Also, we will be initiating some new members – please make them feel welcome as they help the Society move forward with new ideas and stronger connections.

Also, available in our virtual world, is the monthly **Games Night** on Thursday, March 25th and a newly added monthly **Pub Night** on Friday, March 12th to just get social and perhaps bring along your Friday fish dinner. See the ads for these events later in the Fling. You will also see a newly added event entitled **Scottish Sunday Brunch** at Portofino's in Wyandotte on Sunday, March 21st.

I continue to remain hopeful that we will see each other soon.

Yours Aye,

Emma Velasco, President

## 172nd Annual Highland Games

By the time you read this the 172nd Annual Highland Games will only be about five months away. That should give us all something to think about! Just as in 2020, your Games Committee along with all the members of the St. Andrew's Society of Detroit will host our Annual Highland Games. At this point in time, we do not know the magnitude of the event. There are so many variables. We will definitely follow all safety and health rules that the State of Michigan and the City of Livonia have in place at that time. We will have our Raffle and hope that all members are as generous as they were in 2020. All of the proceeds of the raffle will continue to go to the William Kincaid Scottish Arts Scholarship Program.

We are in the process of meeting with the City of Livonia to renew our agreement for the rental use of Greenmead Historical Park for another three years. We are talking to vendors, clans, pipers, dancers and athletes to get their input when we know what is safe and legal to do on August 7, 2021. Wish us well in our endeavors and stay tuned for further announcements as we make some definite decisions.

Cathy, Glen and Jerry

During the Pandemic many libraries and archives have been closed. A few have still kept staff busy on digitization and indexing.

The Drouin Institute in Canada continues to add new French-Canadian records. There were many Scots who emigrated to Canada and are included in these record collections. Drouin has collected most Catholic Parishes in Quebec and some in Ontario as well. They have also collected Protestant records from churches and cemeteries. They have collected civil records from the Notaries, census records from some eastern provinces (i.e. New Brunswick) and collected thousands of obituaries. If your ancestors came through Canada, then this is a collection you should look at. It costs about \$10/ month for access. It is in both French and English.

Scotland's People has added 250,000 birth, death and marriage entries (~147,000 online images) which include 48,728 marriages in **1945** and 64,943 deaths in **1970**. For **1920** births of 136,546 living children during that year were reported. There was a marked decline in birth-rate during World War I.

### ***Nancy Diane Hobley***

Our member, Nancy Diane Hobley, died on January 5, 2021. Nancy had been a member of the St. Andrew's Society of Detroit for seventeen years. She and her husband Don moved to Palm Springs, California many years ago, but made it a point to come back for the Highland Games for as many years as Nancy's health would permit. They were also known to come to a Fish Fry or a general membership meeting. And, they came from California!! Nancy had an infectious smile and was always charming and graceful. They were avid supporters of our raffle. Nancy and Don joined other members of the Society in Alexandria, VA for the Annual Christmas Walk in December of each year, proud of their Scottish roots and heritage. Please join me in extending our sympathy to Don and his family.

RIP beautiful Nancy.

## *Off the Shelf... News about the Charles S. Low Memorial Library*

One thing that continues during our current closure is our Pedigree Project. At this point we now have pedigrees of at least 240 of the 4,000+ people who have joined SASD during our 172-year history. Some are long, some short. Some are of original members in 1849. Some are of members who joined as recently as November 2019. Some can't be done because we can't even read the signature in the records. We have found lots of matches between early members - brothers, in-laws, cousins, sons, and now, daughters, who also joined. But we are not making many matches with current members, just maybe because we haven't been hearing from enough of you. Could it be that we have been negligent in reminding you that we'd love to include you in the database? Remember, this will not be a public database, but in our library for members only. And it's not just your Scottish lineage. Many of our members' families came through Pennsylvania and Ontario and New York. One of our first matches was in Kentucky!

If you'd be willing to participate, we'd love to hear from you. A lengthy pedigree would be great, but if you can give us just some information about your parents and grandparents, we can work from that. Although many of your applications told us where your Scots were from, or mentioned great grandparents by name, we need to fill in the blanks between you and them.

One of our committee members, who refers to herself as our data-entry clerk, says she's got time and needs something to work on. She no longer has a husband to take care of, Fox Run feeds her so she doesn't have to cook, and she doesn't even have a dog to walk. Take advantage of this opportunity to learn more about your family before she realizes what she might be getting into. The number in the membership directory needs updating, so jot this down - Irene Hall, 248-859-5653 or [IreneRHall@aol.com](mailto:IreneRHall@aol.com), even if it's just to ask questions. We already have more than 8400 names, so let us see if we can find a match for you. We don't call it Six Degrees of Separation for the heck of it. (Written by Irene Hall)

**Meeting Notes & Review of the last book:** On Monday, February 8th, 6 of us got together on Zoom to talk about Dorothy Dunnett's **Game of Kings** (Lymond Chronicles #1). We enjoyed the book but agreed it's not a quick read. The story has many characters - some of them having more than one name and the main character uses disguises several times - and there are quotations in Scots, French, Spanish, and Latin. The story begins in 1547. Mary, Queen of Scots, is 5 years old. Francis Crawford of Lymond, the hero of the story, is an outlaw accused of treason. He is the dashing, witty, Errol Flynn-type, good at sword fighting and quick with a romantic poem for a lady. Lymond and his outlaw band cause a lot of trouble raiding and burning homes, but his ultimate aims are to clear his name and save Scotland from outsiders who wish to control it. Our group would definitely recommend this book (the first of 6 books in the series) and we'd also recommend some reading aids to make the experience even more enjoyable:

### **Continued:**

**Our next meeting will be on April 12 at 5:30pm.**

We'll be discussing **Sunset Song** by Lewis Grassic Gibbon.

Here's a description:

Faced with the choice between her harsh farming life and the seductive but distant world of books and learning, the spirited Chris Guthrie decides to remain in her rural community. But as the devastation of the First World War leaves her life-and community-in tatters, she must draw strength from what she loves and endure, like the land she loves so intensely. Brutal and beautiful, passionate and powerful, *Sunset Song* is a moving portrait of a declining way of life and an inspirational celebration of the human spirit. And in Chris Guthrie, Grassic Gibbon has given us one of literature's most unforgettable heroines. It has been voted Scotland's favorite novel, beating titles including JK Rowling's first Harry Potter story to the top spot (The Guardian, 18 October 2016).
