About the St. Andrew's Society of Detroit, est. 1849

During the earlier years of the SASD, there were several meeting locations. On August 3, 1907, the cornerstone was laid for the building now known as the St. Andrew's Hall, located at 431 E. Congress St. in Detroit, Michigan. The first meeting was on January 18, 1908. In 2010, the St. Andrew's Society moved into their current home in Troy.

St. Andrew's has provided gifts and grants of over \$250,000 during the past ten years to charitable organizations throughout Michigan, the United States, and Europe.

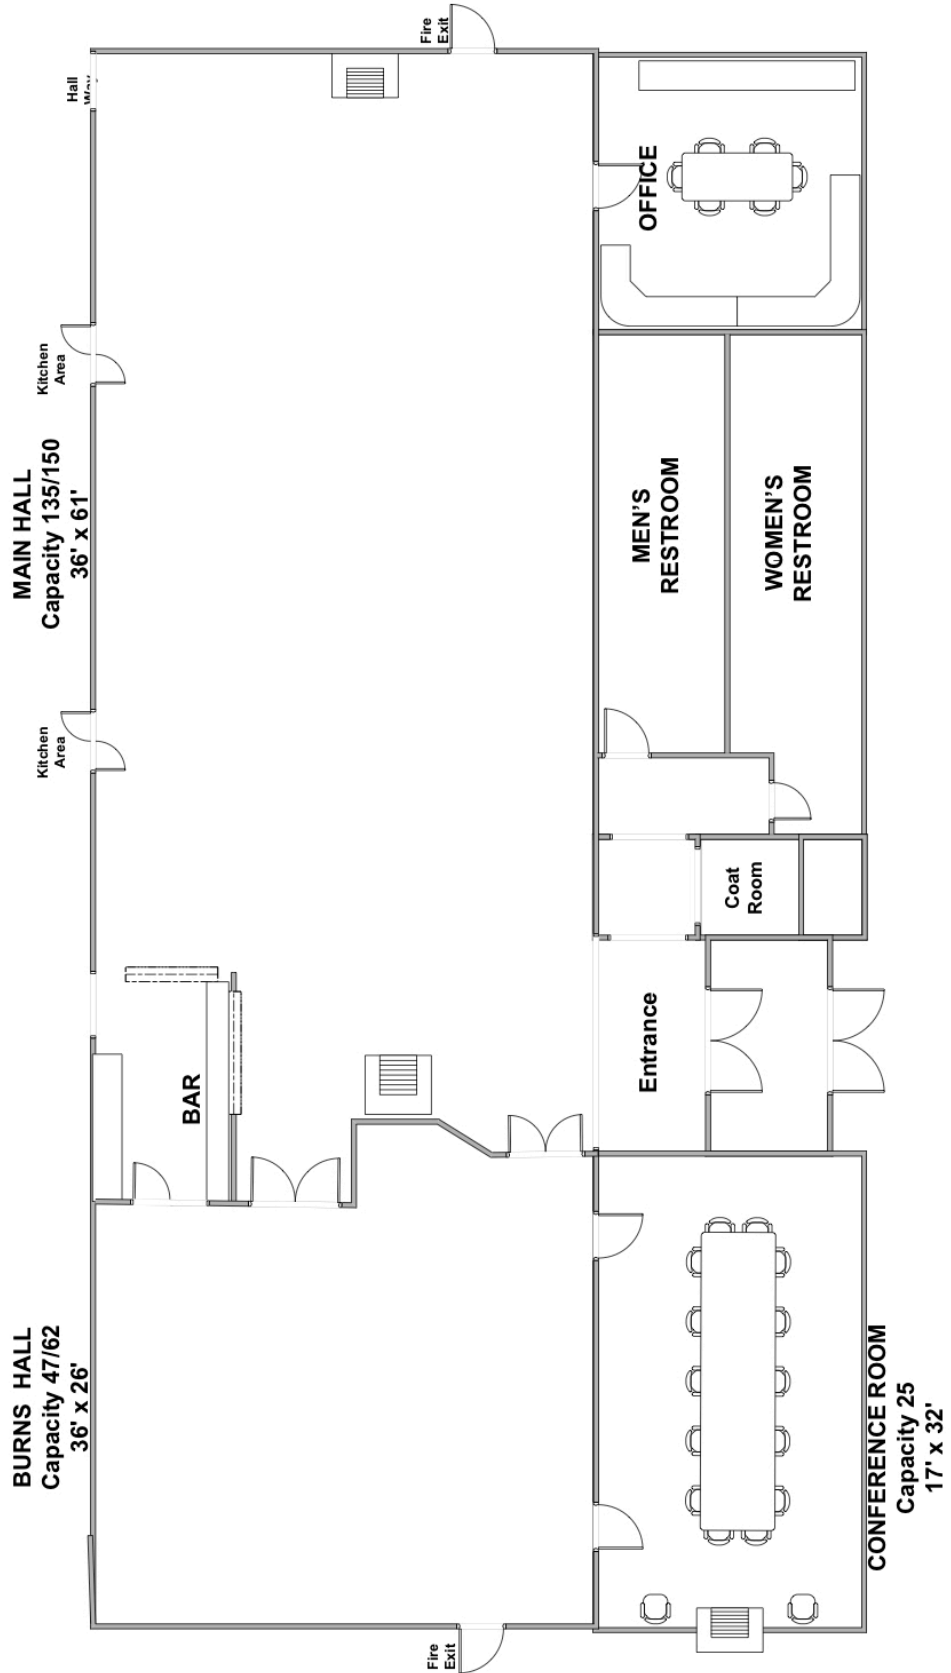

The St. Andrew's Society of Detroit was founded in 1849. Our membership decided to acquire a home and banquet facility located at 2360 Rochester Court near Big Beaver and the I-75 expressway in Troy, Michigan. Our GALA GRAND OPENING was held in October 2010.

Our premier facility offers a wonderful venue for gatherings of all types: weddings, showers, anniversaries, graduations, school sporting events, memorials, corporate meetings, seminars, training sessions, and fundraisers.

We hope that you will come and tour our beautiful facility and provide you with the perfect setting for your function.
