The Highland Fling

A Letter from the President

It's September and we have a lot to look forward to, but first, "What just happened"? The 174th Annual Highland Games occurred a month ago. (Is it really that long ago?). And it seemed to be a great success. Temps were actually mild for the day and the crowds seemed better than last year. This was the first year I got to really walk around to check everything out as I am usually chained to my clan tent. It was fantastic to see the dancing, the bands, the athletes, and the pipers. Security was on point as I was challenged more than a few times in the counting house and at the Patrons' tent.

It made me extremely proud to see all the volunteers coming together to make this work. A message was sent out last minute saying that we desperately needed more volunteers for the Wee Bairns area, and the volunteers delivered. This event would not be possible without the time and support of our "Scottish Army" of volunteers. Thank you all!

It was great to see volunteers at the games who were not members but planned to join the Society soon, as well as members who have not been to a meeting in a few years but planned to this Fall. It feels like things are moving in the right direction.

Upcoming this Fall we have Scottish Country Dance lessons, Tartan Trivia Nights as well as a "Scot"urday Night Comedy show. Please join us for all the frivolity.

See you at the meetings!

Christopher MacKenzie,
President

With all of the rain that we had lately, we are asking our members if they are in the business of roofing, plumbing, electrical, etc. If you know of someone in these businesses, please contact our Hall Manager Kathleene Thomson.

Right now we have a serious need for a **Commercial Roofing Company**.

Our Benevolences

September Charity Gleaners Community Food Bank

The September 11th Membership Meeting is being dedicated to raising money for Gleaners, through 50/50 raffle tickets and charitable monetary donations.

This is a Virtual Food Drive

Gleaners appreciates our monetary donations to purchase fresh, healthy, needed items.

Every \$1.00 donation helps.

Gleaners says: Monetary donations help Gleaners source our most needed food items at the most cost-effective prices. For every dollar donated, Gleaners can provide three well-rounded meals to someone in need.

Gleaners says: Your monetary donation provides nutritious food to our network of more than 500 partner agencies, including food pantries, soup kitchens, local schools and many others. Every year, Gleaners provides 45 million pounds of food to our community. That's more than 104,500 meals a day!

Gleaners says: What is needed the most is fresh milk, wholesome grains and lean proteins like chicken, tuna, peanut butter. Having enough of these items helps ensure our partners and guests have access to a variety of food to meet their nutritional needs.

September Benevolence The Salvation Army Bed & Bread Club

The Society is making a \$1,000 donation to this worthy organization. The Salvation Army is Feeding the Hungry in Detroit - Each day Bed & Bread Club truck drivers make their way through Detroit, traveling multiple routes and making 57 stops to feed the hungry. That includes holidays and days when the weather may prove dangerous; hunger doesn't take any days off. On days so cold that schools and businesses must close and even the postal service can't deliver mail, Salvation Army trucks deliver hundreds of meals to people who otherwise would not eat at all.

With many hands, there is less work!

Please consider coming early or staying a few minutes late, to help us get our Hall in good order.

In October, March and June, being the New Member Initiations Meetings, we will be serving Shepherd's Pie and ask for volunteers to bring a side dish or dessert to go with the dinner.

174th Annual Highland Games

We know that what you as members and friends of the St. Andrew's Society of Detroit are really interested in is the bottom line – or how we did at the 174th Annual Highland Games financially. We are definitely interested in that, too and anxious to share those numbers and figures with you as soon as we receive all of the invoices and get all of the bills paid. Hopefully, by the October issue of the Fling, you will be reading and digesting that information. We have no control over when the final invoice will be in or when our last check needs to be written.

But another thing we had no control over for these Games was the weather. And we all know that it was perfect!! Many other areas that we did have control over were better than good and we are proud of that. We had so many great volunteers (could have used a few more) that presented themselves well and represented the St. Andrew's Society of Detroit in the best fashion.

How wonderful! Listening to the comments of all our guests at the end of the day of the Games made us feel proud to be your leaders. Reading the comments on social media the week(s) following the Games was encouraging.

Our goal, and we speak for all our members and volunteers, was to present the best day (and Cèilidh) that we could. We wanted to show the crowd what Scots stand for and what Scots are proud of. We wanted to show those attending our event that we are proud of our culture, our arts, our traditions, and our heritage. We feel we reached our goal, and we want to thank all the volunteers and members who helped us achieve this.

Truly, this was a group, a large group effort. We had so many new members jump in where they were needed. How exciting!! We had young volunteers (children and grandchildren of members) who loved helping where they could. We had longtime members who volunteered for the first time and asked themselves (and us), "Why didn't we do this before"? We had members who have been volunteers for the past 30 plus years, who were back at it again this year. We had volunteers who changed "jobs" this year for one reason or another and loved their new position. We had many members who took vacation days to work our event. We had a full staff of volunteers working the field from early Monday morning before our Games to five minutes before the Cèilidh started on Friday evening.

Is this great or what? So, a heartfelt Thank You to one and all. We are proud to be your leaders.

Slàinte!!

Off The Shelf... News about the Charles S. Low Memorial Library

Just a note from Catherine!

Dennis Clements, the Chair of the Library committee, has asked if I would like to write the Charles Low Library portion of the newsletter. As a new member of the St. Andrew's Society and the Library Committee, I am very excited to take this on. I have some ideas regarding upcoming issues, such as highlighting Scottish Authors, the haunting of Scotland, Scottish fairy tales and much more.

New Library Committee Members!

The library is pleased to announce the addition of new members to our Library staff, Rachel Holland and Salaina Crumb. We are so excited to welcome them both. If you are interested in volunteering for the library, please contact Dennis Clements.

Scottish Author Highlight

M.C. Beaton

M.C. Beaton was born Marion Gibbons in Glasgow, Scotland on June 10, 1936. Marion began her career by writing historical romances under her maiden name of Marion Gibbons. Marion has also written novels under her other pen names of Ann Fairfax, Jennie Tremaine, Helen Crampton, Charlotte Ward, and Sarah Chester. Her other famous alias was M.C. Beaton, who gained her popularity with the Hamish McBeth and Agatha Raisin mystery series.

One of M.C. Beaton's famous characters is Hamish McBeth, a lazy police officer from the sleepy fictitious town of Lochdubh, Scotland, which is set in the county of Sutherland. Hamish loves his quiet life, sheep, hill racing and solving the murder mysteries that seem to follow him everywhere. The Hamish McBeth series was transformed into a TV series for BBC starring Robert Carlyle and was set in the small town of Plockton. Fun fact, did you know that Plockton is known for their palm trees?

You can find M.C. Beaton books in the Charles Low Library.

Low Library Book Club

For our September meeting, the Low Library Book Club will discuss *Of Stone and Sky* by Merryn Glover.

After Highland shepherd Colvin Munro disappears, a mysterious trail of his possessions is found in the Cairngorm mountains. Writing the eulogy for his memorial years later, his foundling-sister Mo seeks to discover why he vanished. Younger brother Sorley is also haunted by his absence and driven to reveal the forces that led to Colvin's disappearance. Is their brother alive or dead?

Set on a farming estate in the upper reaches of the River Spey, *Of Stone and Sky* follows several generations of a shepherding family in a paean to the bonds between people, their land and way of life. It is a profound mystery, a passionate poem, a political manifesto, shot through with wisdom and humour. It was a Highland Book Prize nominee in 2021.

The Low Library Book Club's next meeting will be on September 18 at 5:30 p.m. (EDT) via Zoom. All are welcome to join in. Just send an email to Cathy McCullough Les at library@detroitscots.com for the Zoom invitation.
