Shorter days, longer nights, Samhain, guising, and neep lanterns. All part of the fall. What? Doesn't everyone carve a neep? The colder weather brings us into what is generally thought of as the giving season. With Thanksgiving approaching, and then giving way to Christmas, many are focused on helping those in need. We do this year-round but make the extra effort at this time of year because why wouldn't we?

But we must look after ourselves first. Which is why we have our St. Andrew's Dinner coming up. We celebrate ourselves and our purpose. This is followed by Christmas and New Year's or Hogmanay. Cherish family and toast the new year and our accomplishments.

I look forward to seeing you soon!

Careful that you don't chop a finger off carving a neep!

Christopher Robert Fraser MacKenzie
President, St. Andrew's Society of Detroit

ANNUAL HIGHLAND GAMES

Happy Spooky Season!

A small team of us have spent this month reviewing digital event platforms. Tested technology will allow us to centralize ticket sales, volunteer signup, vendor signup, merchandise, beer and whisky sales, and a whole lot more. I'm deeply grateful to our team who've dedicated a few of their evenings to this process. We hope to make a decision soon. I'll bring an update to our member meeting as soon as we have a decision.

If you'd like to look at our two best options, you can go to eventeny.com and event-essentials.net.

I'm excited to introduce our new Technology Chair. Chris Houghten is a seasoned IT professional and I'm thrilled to welcome him aboard. Chris has participated in our digital platform reviews and I'm confident he'll be able to thrive as our new Chair.

We still need your energy and enthusiasm as we fill the remaining Chair positions:

- Food Vendors
- Gates
- Volunteer Food
- Raffle
- Scribe & Action Item Manager

Do you have other ideas you'd like to share? I would love to hear them. Please [email me](#) or call anytime: 734-904-9510.

I remain dedicated to the success of our Games. I remain dedicated to you.

Warmly,
Julie Palmer

It was a busy meeting at the Kilgour Centre on October 6. We initiated 19 people into Society Membership: Jennifer Anderson, Sandra Bartoski, Ellece Campbell, Penny Murphy, Eileen Giesbrecht, Marilyn Joan Grazioli, Shawn Grose, Mark Harris, Patricia Holland-Soma, Nicole Lawson, Jason MacKenzie, Kathleen Martin, James E. and James A. MacKechnie (a father and son team), John Robertson, Andrew Thomson, John Swift Vanderlaan, and Nadine Walker (mother of Rhonda Walker). Two of our new members have deep family roots with our Society, making for a very special initiation. Andrew Thomson is the son of our deceased member John Thomson, and Mark Harris is the son of Elaine and Rod Harris, who are Life Members. It was a wonderful ceremony, and please be sure and give all our new members a warm Detroit Scot welcome when you see them.

November begins our membership renewal season. All members, including Life Members, will receive an email in November requesting that your membership be renewed. So, please watch for the email; renewals are due by January 1, 2026. If you do not have email, you will receive a paper renewal notice. All members need to take a moment to review their membership profile and their contact information.

Anyone who is not a Life Member will owe their annual dues. Dues can be paid through the membership system with a credit card (there will be a 3% surcharge to use a credit card). Members can also bring cash or a check to the November meeting and give it to me there. Checks need to be made payable to St. Andrew's Society of Detroit. If you prefer to mail a check, please send it to:

The Kilgour Centre Fund Drive

Saving our Kilgour Scottish Centre

In just this last month, \$3501.51 has been donated! Since September 1st, \$7057.67 in donations were made, raising our total donations to \$13,137.07. All donors are greatly appreciated!

The Kilgour Fund Drive's goal is to raise \$60,000 in one year from September 1st, 2025, through August 31st, 2026. Every member is urged to participate in the Kilgour Centre Fund Drive by giving \$200. You could choose to donate \$16.67 monthly, \$50 quarterly or, make a one-time donation of \$200. If donating at that level is too high right now, any size donation would be greatly appreciated.

Your donation can be made by logging into Wild Apricot and going to the "Members' Only" homepage or, through the QR code on the Kilgour Fund business cards located by the front desk inside the Kilgour. If you'd prefer to write a check, make it out to St. Andrew's Society of Detroit, write Account #40507 in the memo line and mail it to:

Thank you again to all our donors! Enjoy the *Fling* to gain monthly donation updates, Kilgour projects and, other Kilgour fund raising events. This past month the parking lot was sealed and re-black topped and, mulch was delivered and spread beautifying the Kilgour's gardens. Work on the Kilgour's HVAC system will begin soon and, other steps to further protect the Kilgour from freezing pipes will soon begin.

To raise further funds for the Kilgour, the Fund Development Committee announces our first, Winter Holiday Craft Fair from 10 a.m. to 3 p.m. Saturday, December 6th. We will be raising funds by selling tables to crafters inside the Kilgour and in our parking lot! We're also selling space to four food trucks. If you'd like to be a vendor, please click here winterholidaycraftfair.artcall.org. We're asking our membership to come and have fun and volunteer for various jobs. We're looking for 20 fun loving volunteers. If you can donate a couple of hours or the full day. There is something for everyone. Off The Shelf... News from the Charles S. Low Memorial Library

St. Andrew's Archival Committee is an all-volunteer group headed by Dennis Clements. It is responsible for the intake of materials, organizing, preserving, and cataloging the Society's historical documents. This includes best practices for handling fragile materials such as original membership books bound in leather, digitization techniques, and creating accessible finding aids. Proper preservation is essential requiring acid-free boxes and folders which meet the requirement standards of NARA and keeping the storage temperature and humidity at proper levels. To these ends, we have been assisted by the expertise of the archivist at Clark Historical Library at Central Michigan University and work with St. Andrew's artifacts already cataloged at the Burton Historical Collection. By supporting the archives program, we are able to ensure that our records are preserved and are available to provide the work of staff and the research needs of our members as well as any outside interest from the local communities and the public. The goal of the Archives Committee is to have our records housed in an online database which will offer quick access to the St. Andrew's Society of Detroit's archives.

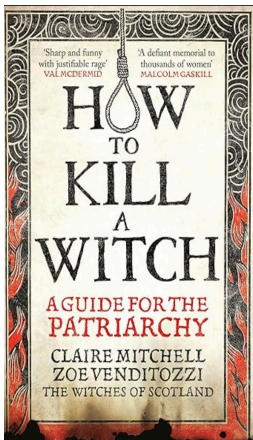

Article written by Ann Brown and Janet Bobby

Charles S. Low Book Club

For our November book discussion, we will be reading *How to Kill a Witch: a Guide for the Patriarchy* by Claire Mitchell and Zoe Venditozzi.

Description:

Scotland, 1563: Crops failed. People starved. And the Devil's influence was stronger than ever, at least, that's what everyone believed. If you were a woman living in Scotland during this turbulent time, there was a very good chance that you, or someone you knew, would be tried as a witch. Witch hunts ripped through the country for over 150 years, with at least 4,000 accused, and with many women's fates sealed by a grizzly execution of strangulation, followed by burning.

During the chaos of the Reformation, violence against women was codified for the first time in the Witchcraft Act—a tool of theocratic control with one chilling goal: to root out witches and rid the land of evil. What followed was a dark and misogynistic chapter in history that fanned the flames of witch hunts across the globe, including the United States and beyond. In order to understand why it happened, they have broken down the entire horrifying process, step-by-step, from identification of individuals, to their accusation, "pricking", torture, confessions, execution and beyond.

This captivating (and often infuriating) account, which weaves a rich tapestry of trial transcripts, witness accounts, and the documents that set the legal grounds for the witch hunts, exposes how this violent period of history mirrors today's struggles for justice and equality. *How to Kill a Witch* is a powerful, darkly humorous reminder of the dangers of superstition, bias, and ignorance, and a warning to never forget the past... while raising the question of whether it could ever happen again.

(The American edition will be published on September 30, but you can get the British edition from Amazon, Alibris, or other booksellers if you can't wait.)

The Low Library Book Club will meet on November 10th at 5:30 p.m.(EST) on Zoom. Contact Cathy McCullough Les at library@detroitscots.com if you have any questions.
